Address: **Level 1**
 Building 2
 4 Riverside Quay
 Southbank Victoria 3006
 Ph: (03) 8699 2400

Getting here by train:

Catch the train to Flinders Street Station and walk across the Southgate footbridge over to Southbank. Whilst on the footbridge, look straight ahead, you will see the Esso Building (this will be the first building you see).

Turn right onto Southbank Promenade & walk along the Yarra River heading to the Casino. After the Esso Building there are 3 low level glass buildings numbered Buildings 1, 2 & 3. We are Building 2 in the middle. The entrance to the lifts is in between World Café and Il Primo Posto Restaurants.

Getting here by car and parking:

We would suggest that you park your car at Crown Casino and walk along the Yarra, crossing Queensbridge Street.

The entrance to the lifts is on the ground floor in between World and Il Primo Posto Restaurants.

The other parking alternative is the Mirvac Riverside Quay Car Park located directly in front of our building in Riverside Quay. You will see the Mirvac sign as you approach.
