

Profile

Brian Mac Neill **Senior Consultant**

Specialisations:

- Senior Management and Executive Career Transition
- Strategic and Operational HR Leadership
- HRIS Project Management
- Recruitment Consulting

Experience & Clients :

Brian is a highly qualified and experienced HR executive with an extensive and broad-based background in senior operational and corporate staff roles within the automotive industry with leading global organisation – General Motors Corporation. He has traveled extensively throughout North America, Europe and the Asia Pacific region and has considerable experience in the development and implementation of change management/OD initiatives to optimize human capital and business results.

Prior to joining GM and the local Holden organisation in 1972, Brian was employed as a recruitment consultant and divisional manager with Drake International in Melbourne for several years.

Brian joined Lee Hecht Harrison as a Senior Consultant in 2000 and has gained extensive experience and expertise in career transition consulting. He has a passion for achieving quality results and greatly enjoys the challenge and satisfaction involved in providing individuals with professional and successful career transition assistance.

Qualifications:

- Bachelor of Arts (Psychology Major) - University of Alberta - Canada
- Post Graduate Studies in Psychometrics
- Executive Development
- Advanced Management Program - Melbourne University
- Strategic HR Leadership - Australian Graduate School of Management - NSW
- Asia Pacific Leadership Conference - Singapore
